| <b>Product Info</b>               |                 |
|-----------------------------------|-----------------|
| Part Number                       | GRVP04 -480 - S |
| Max Stroke [mm]                   | 392             |
| <b>Material Specification</b>     |                 |
| Rail                              | SUS440C + Ni    |
| Roller                            | 100Cr6          |
| Retainer                          | POM Plastic     |
| <b>Dimensions</b>                 |                 |
| H [mm]                            | 21              |
| T [mm]                            | 11              |
| W [mm]                            | 10              |
| L [mm]                            | 480             |
| n [mm]                            | 24              |
| P [mm]                            | 40              |
| L1 [mm]                           | 20              |
| L2 [mm]                           | 2               |
| ØD [mm]                           | 4               |
| L3 [mm]                           | 288.6           |
| R [mm]                            | 41              |
| P1 [mm]                           | 4.3             |
| P2 [mm]                           | 7               |
| A [mm]                            | 4.5             |
| M                                 | M5              |
| d1 [mm]                           | 4.3             |
| d2 [mm]                           | 7.5             |
| B [mm]                            | 4.1             |
| <b>Performance Specifications</b> |                 |
| Dynamic C [N]                     | 1230            |
| Static C0 [N]                     | 1170            |
| Capacity Per Bearing [N]          | 390             |
| <b>Weight</b>                     |                 |
| Per Rail [g]                      | 756             |
