Fax a copy of your drawing or select a template that best matches your application requirements.

1. Fill in all available data with tolerance in either inch or metric units.
2. If a specification is not on the template add it, the applicable dimensions and tolerances.
3. If a specification is not required but is on the template, draw a line through it, and mark the item description with N/A.
4. Include additional notes to the template to aid in quoting and manufacturing.

Fax this cover sheet along with template drawing to **CUSTOMER SERVICE AT: 216.271.7020**

For questions or help in selecting the best solution for your application requirements, please contact
