### Part Numbers

Part Number	NLU-1002
-------------	----------

### Performance Specifications

Gelling Agent	Synthetic
---------------	-----------

### Other

Dropping Point [°F]	550
NLGI Grade Number	2
Oil Viscosity cst @ 40° C	96
Oil Viscosity cst @100° C	11.3
Penetration (worked)	285
Quantity Per	1
Temperature Range Maximum [°F]	400
Temperature Range Minimum [°F]	15
